

Notes on Tables

1. University of London is a confederal organisation. The colleges of the university, shown separately in the HESA reference volumes, are:

Birkbeck College
 Institute of Education
 Goldsmiths College
 Imperial College of Science, Technology and Medicine
 King's College London
 London Business School
 London School of Economics and Political Science
 London School of Hygiene and Tropical Medicine
 The School of Oriental and African Studies
 The School of Pharmacy
 Queen Mary and Westfield College
 Royal Holloway and Bedford New College
 The Royal Veterinary College
 St. George's Hospital Medical School
 University College London
 Wye College
 (Heythrop College is also a college of University of London, but is not included in HESA statistics as it is not publicly-funded.)

In addition, the institutes within the umbrella of University of London (Institutes and activities) are:

British Institute in Paris
 Courtauld Institute of Art
 University Marine Biological Station
 The Institute of Cancer Research
 School of Advanced Study comprises:
 Institute of Advanced Legal Studies
 Institute of Classical Studies
 Institute of Commonwealth Studies
 Institute of English Studies
 Institute of Germanic Studies
 Institute of Historical Research
 Institute of Latin American Studies
 Institute of Romance Studies
 Institute of United States Studies
 Warburg Institute

2. The list of institutions in the HESA reference volumes for 1999/2000 has changed and the following institutions are no longer shown separately:
 - Westhill College
 - St. Andrew's College of Education
3. The following institutions are now shown separately, they were previously included in the figures for The Queen's University of Belfast.
 - Stranmillis University College
 - St. Mary's University College
4. As a consequence of a review of cost centres by funding councils, additional cost centres were introduced in 1997/98. Use of the new cost centres was compulsory for institutions in England and Northern Ireland in 1998/99. In addition, cost centre 15 (General sciences) and cost centre 22 (Other technologies) were not used by institutions in England and Northern Ireland from 1998/99.
5. At the time of going to press, the financial figures supplied by the University of Greenwich for the year ended 31 July 2000 were based on un-audited consolidated financial statements.
6. Due to HESA issuing extra guidance, some institutions have changed their reporting practice for the grade field in the Staff Individualised Record. Therefore care should be taken when undertaking comparisons with previous analyses by grade.
